

The Water House Project

Private dining

Private dining

Our space is available for private hire, from small gatherings to work events, collaborations and weddings. We have a minimum spend depending on the day of the week in order to cover the costs of a regular service. Our menus are the same as you would expect if visiting the restaurant for a regular service.

* Our prices include service charge, alcoholic or non alcoholic drinks pairings, tea and coffee as well as exclusive use of our space. Our prices are guaranteed for 6 months into the future.
